

Max.Loading capacity **700kg**

Compact! Overall Width **880mm**

**Effective work with DUMP!**

**Works great in narrow spaces  
and on off-roads!**

# WB07 $\alpha$

**Compact Mini Dumper**

### Work in narrow spaces

Overall width 880mm let you work in narrow spaces and on off-roads.

**Stable sales record**  
with over 2000 units  
sold in North America  
and Europe!

### Bucket with dump

Useful for carrying...

- Soil containing water
- Heavy and solid materials such as gravel, rocks, etc.

# What's Special?

## Simple Operation

Compatible with both riding and walking work. Simplified controls for complex operation in consideration for safety.

**Sturdy Bucket**  
Excellent durability.

## Traveling Performance

Track rollers are made of cast metal for superior durability. Long ground contact length provides excellent stability even when loaded.
